OBJECTIVE

I find challenging opportunities where I can use my skills to the fullest for the organization's success. I can learn new skills, expand my knowledge, and take advantage of my learning. By participating in challenging work environments I can continually improve my knowledge, skills, attitudes, and experience.

EXPERIENCE

SENIOR WEB INSTRUCTOR

Saatrong System / **Barisha**l   2021-2022

As a Senior Web Instructor at Saatrong System Institute, I've helped students excel in web development by providing effective instruction and mentoring. With 1 year of experience, I've developed engaging curricula and fostered a dynamic learning environment, assisting countless students in launching successful careers in web development.

FRONTEND WEB DEVELOPER

Best Luck It / **Barisha**l   2019-2020

As a Frontend Web Developer at Best Luck IT Institute, I specialize in designing user-friendly and modern websites. With 1 year of experience, I've honed my skills in creating visually appealing, responsive web solutions. My work reflects a commitment to delivering high-quality and engaging online experiences

FULL STACK WEB DEVELOPER

Fiverr Marketplace   2019-Present

As a Full Stack Web Developer on Fiverr Marketplace, I've had the pleasure of working with clients from all over the world to bring their digital visions to life. I've delivered diverse web solutions tailored to meet unique project requirements, thanks to a strong command of both front-end and back-end technologies.
